

# UCHURCH IS ON THE MOVE!!

(for the summer)

This year we've been learning together about 'How to Walk with God' - a theme that started the new decade with a 40-day fast, progressed into learning how we 'hear' God, and most recently for some, walking with God into the waters of baptism at the park! This summer, we are continuing the theme of Walking with God, but with different scenery! Beginning Sunday, July 4th, UChurch will be meeting in different locations on Sunday mornings. Check the listings below (and tear them off if you need a reminder!) for topics and meeting places for UChurch Summer Sundays!
