**Pastor's Recommendation/Commitment Letter
For
RTF Ministry Trainees**

Dear _____,

I/we do approve the below named RTF Ministry Trainee team/individual to attend and receive Restoring the Foundations ministry training as presented in the book, *Restoring the Foundations* during the RTF Issue-Focused Ministry Activation Training Seminar.

I/we recommend them as mature saints, as people others come to for wise counsel, encouragement, and prayer; as ones having a heart for seeing people healed and set free and as called to an integrated approach to biblical healing ministry as represented by Restoring the Foundations ministry.

I/we agree and commit to oversee their ministry, to pray for them, and to provide a place for them to minister the Issue-Focused ministry format once they satisfactorily complete the RTF Activation Seminar.

Sincerely,
